TASTE OF NATURAL FOOD

Healthy Food for Everyone

Revitalizing traditional grains through innovative technologies to produce millet-based products

Manufacturer of value-added millet food products, utilizing traditional millets combined with naturally available ingredients to create innovative, nutritious, and marketable Ready-to-Eat (RTE) and Ready-to-Cook (RTC) food products. Founder Dr. V. Anusheela, an alumnus of TNAU with a Ph.D. in Plant Breeding and Genetics, alongside Co-Founder Dr. M. Annadjothi, who holds a Ph.D. in Manufacturing Engineering, embarked on this journey in 2020. We are registered as a partnership firm and have been incubated at TNAU TBI. Additionally, we are recognized by DPIIT, have acquired a license from FSSAI, FDA, UDYAM registered, certified as a TN STARTUP, and have successfully registered our trademark.
